Norovirus/Gastrointestinal Outbreak, Yolo and Sacramento Counties

On 05/15/17, the California Department of Public Health Duty Officer (CDPH DO) and California Department of Public Health Emergency Preparedness Office Duty Officer (CDPH EPO DO) reported to the CSWC that Yolo County has experienced a recent Norovirus/Gastrointestinal Outbreak that is affecting numerous schools in the county.

- · 42 schools have been affected.
- 1,820 students, teachers, and staff are ill with stomach cramps, vomiting, and/or diarrhea in schools throughout Yolo County.
- Yolo County Health and Human Services is working with California Department of Public Health (CDPH) and the California Department of Pesticide Regulation (CDPR) regarding the concerns schools have using Bleach.
- Yolo County Health and Human Services will continue to work with Yolo County Office of Education to stop the spread.

Since 05/04/14, there have been reported outbreaks in schools in Sacramento County affecting students and staff. As of 05/16/17, the CDPH Duty Officer reports that:

- 19 public and private schools have reported these outbreaks.
- 1 specimen from an affected individual tested positive for Norovirus in the Sacramento Public Health Lab.

The California State Warning Center (CSWC) and California Department of Public Health (CDPH) continue to monitor the situation and will provide updates as they are received.

SITUATION SUMMARY

2017 February Storms

Cal OES Coastal Region

Pfeiffer Bridge Incident, Monterey County

California Highway Patrol (CHP) and Caltrans had a hard closure on the Pfeiffer Bridge on HWY 1 at mile marker 45.52 (SB Sycamore Canyon and the Bridge) due to a crack in the bridge. The bridge has been demolished so the road is closed and estimates for some access from the north is late September 2017.

- Backup air medical transport plans have been developed for medical emergencies through Cal OES Law Enforcement Branch.
- All businesses north of the Pfeiffer Canyon Bridge closure are open to the public.

Per the Cal OES Coastal Duty Officer (CDO), as of 05/16/17, full closures of Nacimiento-Fergusson Road began on 05/18/17 at 0800 hours due to a Caltrans bridge supply convoy delivering construction equipment and materials. The closure was lifted the same day.

WEATHER OF CONCERN

Weather of Concern

• Building Eastern Pacific ridge will bring much warmer weather to Southern California this weekend. High temperatures Saturday will be 5 to 15 degrees warmer than average and stay that way into Sunday with the deserts heating up even more that day.

Active Weather Warnings, Watches and Advisories by County:

- http://www.wrh.noaa.gov/sto/brief/wwa_bc_cal.php Temporarily unavailable.
- https://alerts-v2.weather.gov/counties/CA

WEATHER SYNOPSIS BY REGION

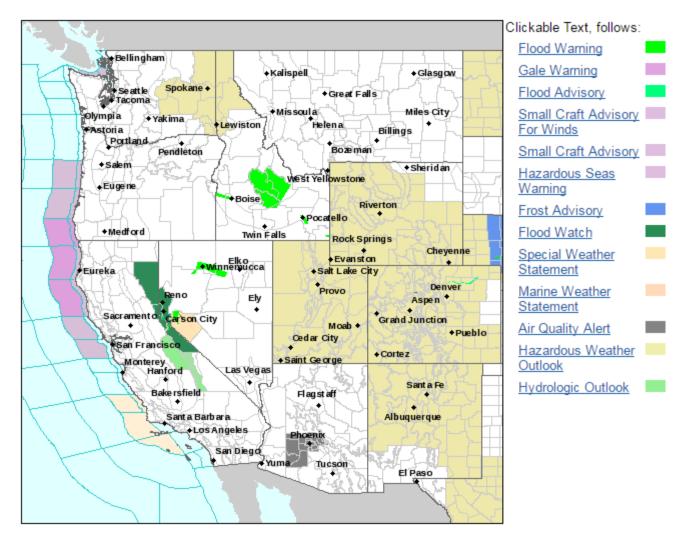

NORTHERN CALIFORNIA

Building high pressure will promote dry weather and increasingly warm temperatures across the region through early next week. A chance of showers or thunderstorms will exist across the interior mountains early next week.

SOUTHERN CALIFORNIA

The offshore flow through the weekend will bring above normal temperatures and fair skies. The onshore flow will increase by early next week and will start a cooling trend into midweek along with an overnight coastal marine layer. The temperatures should cool to around normal on Thursday and Friday.
